

IACRA INFORMATION

IACRA is a web-based application that sends the airman certification documents automatically to the Federal Aviation Administration Registry in Oklahoma City. All applications for an airman certificate or rating must be processed through the IACRA system. The following is information that is required to process an application via this system. Please access IACRA via the Colorado Flight Center web site, [Contacts & Links](http://www.coloradoflightcenter.com/contact) page: <http://www.coloradoflightcenter.com/contact>, then click the link for Airman Certificate Application (IACRA).
